Case No. 3:16-cv-02739-WHA

**DECLARATION OF STEVEN J. REYES  
IN OPPOSITION TO MOTION FOR  
PRELIMINARY INJUNCTION**

Date: June 1, 2016  
Time: 11:00 a.m.  
Courtroom: 8  
Judge: William Alsup  
Trial Date: None set  
Action Filed: May 20, 2016

I, Steven J. Reyes, declare as follows:

25       1. I currently serve as Chief Counsel to California Secretary of State Alex Padilla,  
26 Petitioner in this action. I have served in this capacity since approximately March 2015. I have  
27 personal knowledge of the facts contained in this declaration, and if called upon to testify I could  
28 and would testify competently as to the truth of the facts stated herein.

1       2. In my capacity as Chief Counsel for the Secretary of State, I have wide-ranging  
 2 responsibilities that include review and monitoring of outreach materials, such as official voter  
 3 information materials, county advisories, press releases, social media communications, and  
 4 website updates as well as involvement in other Secretary of State outreach and educational  
 5 efforts. The Office of the Secretary of State's has undertaken comprehensive efforts to provide  
 6 outreach and educational materials to voters and elections officials related to the upcoming June  
 7 7, 2016 California Presidential Primary Election.

8       3. Generally, these efforts have included providing information related to the voting  
 9 options for "no party preference" ("NPP") voters – persons who have chosen not to have any  
 10 party affiliation with qualified political parties when registering to vote or updating their voter  
 11 registration information. The Secretary of State has provided information through official  
 12 advisories to elections officials via County Clerk/Registrar of Voters ("CCROV") memoranda;  
 13 Secretary of State website information; press releases; social media postings; TV and radio  
 14 interviews; and outreach events.

15       4. The Secretary of State's website includes comprehensive information outlining the  
 16 information related to the voting rights for NPP voters, including information on:

- 17           a. Advising voters how to check their registration status and party affiliation;
- 18           b. Identifying voter registration options, including links to the Secretary of State's  
                  California Online Voter Registration (COVR) tool;
- 19           c. Methods for requesting a vote by mail ballot;
- 20           d. Methods for requesting a crossover ballot from county elections officials to vote  
                  1) by mail; or 2) in person;
- 21           e. Which political parties allow crossover voting;
- 22           f. How to vote by mail and in person at polling places or at county elections  
                  offices;
- 23           g. Applicable deadlines for each of the above.

27       5. Voter Information Guide: The Secretary of State has mailed over 10.5 million "Voter  
 28 Information Guides" to each household with a registered voter. The Voter Information Guide

1 includes information about the voting process and resources for voters to contact the Secretary of  
 2 State or election officials for further information. Specific to NPP voters, Page 6 of the guide  
 3 advises NPP voters of the right to request and vote crossover ballots by mail and in person at  
 4 polling places. Page 12 of the guide provides additional information regarding voting options for  
 5 the office of President of the United States and refers voters to a specific page of the Secretary of  
 6 State's website for additional information. The Voter Information Guide is also available online  
 7 to download in English, as well as in Spanish, Chinese, Hindi, Japanese, Khmer, Korean,  
 8 Tagalog, Thai, and Vietnamese -- the nine other languages required by Section 203 of the federal  
 9 Voting Rights Act. (52 U.S.C. Section 10503; 76 Fed. Reg. 198 (Oct. 13, 2011) at 63602). (See  
 10 Secretary of State Voter Information Guide website, available at <http://voterguide.sos.ca.gov/>.)  
 11 Additionally, the Secretary of State has provided an American Sign Language version available  
 12 for viewing online. (See Secretary of State website, available at: <http://voterguide.sos.ca.gov/asl/>).  
 13 A true and correct copy of the English version of the Voter Information Guide for the June 7th  
 14 Presidential Primary Election, available on the Secretary of State's website at  
 15 <http://voterguide.sos.ca.gov/>, is attached to this declaration as **Exhibit A**.

16       6.     Additionally, pursuant to Elections Code Section 9092, the Voter Information Guide  
 17 was displayed for public review. During the public review period from February 23, 2016 to  
 18 March 14, 2016, any person seeking to challenge its content was entitled to seek a writ of  
 19 mandate. A true and correct copy of the press release announcing the public review period for the  
 20 Voter Information Guide is attached to this declaration as **Exhibit B** and is available on the  
 21 Secretary of State's website at <http://www.sos.ca.gov/administration/news-releases-and-advisories/2016-news-releases-and-advisories/>.

23       7.     Poll Worker Training Standards: The Secretary of State's website also includes the  
 24 "2016 Poll Worker Training Standards" which is designed to encourage poll workers to provide a  
 25 positive voting experience and to "ensure the rights of everyone seeking to vote are protected."  
 26 Section 1, "Ensuring and Protecting the Rights of Every Voter," includes the following  
 27 instructions for NPP voters in the subsection entitled, "Rights of Voters Who Decline to State a  
 28 Political Party Preference or Register with a Nonqualified Political Party":

1       “County elections officials should train poll workers how to use and distribute NPP  
 2 voter information materials including, but not limited to, signs, posters, and written  
 3 information, to inform these voters that they may request a ballot of a political party  
 4 that has authorized a NPP voter to “crossover” to vote the ballot of that political party  
 for a particular election. The poll worker should provide information to the NPP voter  
 in a way that avoids any advocacy towards a particular party's ballot.” (Page 3 of  
 Section 1.)

5  
 6 Pages 2 and 3 of Section 1 provide more detailed information. A true and correct copy of  
 7 Section 1 of the 2016 Poll Worker Training Standards, available on the Secretary of State’s

4       16. Voter Information Hotline: The Secretary of State's office also operates a voter  
5 information hotline. When a voter calls the Secretary of State's Voter Hotline in any of the ten  
6 languages offered – English ((800) 345-8683), Spanish, Chinese, Hindi, Japanese, Khmer,  
7 Korean, Tagalog, Thai and Vietnamese – using our toll-free numbers, they have several options to  
8 receive important election information. One of these options (option number 7) states: "To find  
9 out which political parties will allow No Party Preference voters to vote for their presidential  
10 candidates in the upcoming presidential primary election, press 7." If the caller chooses this  
11 option, the phone system provides the following recorded message, active since March 4, 2016:

When a person registers to vote, he or she can either disclose a political party preference or decline to disclose a political party preference. In general, only voters who have disclosed a political party preference with a specific party are eligible to vote for that party's presidential candidate in the primary election. However, state law allows a political party to let voters who have declined to disclose a political party preference, known as "no party preference" voters, to vote for their presidential candidate in the primary election. For the June 7th Presidential Primary Election, the American Independent, Democratic and Libertarian parties have officially notified the Secretary of State that "no party preference" voters can vote for their respective presidential candidates. "No party preference" voters may either vote a nonpartisan ballot or choose the ballot of one of the parties mentioned. When registering to vote, if a voter did not disclose a party preference, disclosed a preference with a non-qualified party, or listed "independent," the voter is considered a "no party preference" voter. "

Secretary of State personnel who speak directly with callers are instructed to relay the above information to those requesting it. Our call center staff and volunteers attend a 1-hour mandatory training session. This training session includes information on No Party Preference voters.
